Eligibility

Any employee who is traveling outside of his or her Home Country and is under 66 years old is eligible for coverage. Dependents and guests of the employees are also eligible for coverage, provided they meet the same eligibility requirements as the employee, with the approval of the company. The maximum coverage period is 12 months.

Home Country Coverage – Benefit Period

Atlas Corporate will provide limited Home Country Coverage during a Benefit Period. A Benefit Period begins on the first date a diagnosis or treatment of a covered Illness or Injury is received while outside his or her Home Country, and lasts for 180 days. If a Benefit Period has started while this insurance was in effect, the employee is covered only for Medical expenses related to the same covered Illness or Injury for the duration of the Benefit Period, regardless of whether they are at home or abroad.

Obtaining a Proposal

Complete and return a Request for Proposal form to HCC Medical Insurance Services. You will then receive a daily rate based on the estimated annual travel and location of the company. To purchase a policy at the rate provided, complete and submit the application provided with your quote.

Purchased days are assigned to employees through an online account management system. A minimum purchase of 100 days is required to begin an Atlas Corporate account and all days are valid throughout a 1 year policy period.

Covered Medical Expenses

- Inpatient and Outpatient charges made by a Hospital
- Charges made by a Physician, surgeon, radiologist, anesthesiologist, and any other Medical Specialist to whom the Physician has referred the case
- Charges made for dressing sutures, casts or other supplies prescribed by the attending Physician or Medical Specialist, but excluding nebulizers, oxygen tanks, diabetic supplies and all devices for repeat use at home
- Charges for diagnostic testing, oxygen, and anesthetics
- Charges for prescription drugs for treatment of a covered Injury or Illness, but not for the replacement of lost, stolen, damaged, or expired drugs
- Emergency Local Ambulance transport incurred in connection with Injury or Illness resulting in Inpatient Hospitalization

Exclusions

The following charges, treatments, surgeries, medications, conditions and circumstances are excluded:

- ♦ Treatment for or related to any congenital condition
- ♦ Pregnancy, including pre-natal care, post-natal care, newborn care and childbirth, except for complications of pregnancy within the first 26 weeks after conception
- ♦ Mental health disorders; substance abuse; willfully self-inflicted conditions
- ♦ Charges for use of emergency room within the US for treatment of illness unless the patient is directly admitted to the hospital as inpatient for further treatment of that illness (does not apply to injuries)
- ♦ Venereal disease; treatment of individuals who are HIV+ or have AIDS or ARC
- ♦ Chiropractic treatment; diseases of the skin; expenses related to vision or hearing; immunizations and routine physical exams
- ♦ Dental treatment, including treatment of TMJ, except for emergency dental treatment due to a covered accident
- ♦ Injury resulting from participation in contact sports, non-recreational athletics, and thrill-seeking activities
- ♦ Charges for travel or accommodations, except as provided for in the local ambulance, emergency medical evacuations, repatriation of remains, emergency reunion, natural disaster and trip interruption benefits
- ♦ Treatment incurred as a result of exposure to non-medical nuclear radiation and/or radioactive material(s)
- ♦ Acts of terrorism, except as provided for herein, war, insurrection, riot or any variation thereof

Pre-existing Conditions

Charges resulting directly or indirectly from any pre-existing condition are excluded from this insurance. A pre-existing condition is any illness, injury or medical condition or chronic or recurring illness or injury or medical condition, including any associated complications or consequences, which existed at or during the 2 years immediately preceding the effective date.

The plan may provide coverage for medical and emergency medical evacuation expenses resulting from an acute onset of a pre-existing condition. An acute onset is a sudden and unexpected outbreak or recurrence of a pre-existing condition which occurs spontaneously and without advance warning either in the form of physician recommendations or symptoms. Treatment must be obtained within 24 hours.

This is a partial list of exclusions and limitations. Limits apply to all benefits. Please see the Certificate of Insurance for detailed information about these and other plan exclusions, limitations, benefits and provisions. Contact HCC Medical Insurance Services for a copy of the master policy or for more information.
